Dear residents,

Every National Day is a heartening affair as Singaporeans rally to celebrate our nation's birthday. This year's NDP theme is #OneNationTogether, and like the theme suggests, we must stand together and support one another in good times as well as in times of uncertainty and challenges. I would also like to take this opportunity to wish all residents a Happy 52nd National Day!

On another note, many of you would have seen or even used bicycles from bike-sharing services. Bike-sharing schemes complement public transport by offering the bicycle as a convenient, environment-friendly and affordable option to complete the first or last leg of a journey. Unfortunately, some bike users have not taken care to park their bicycles properly at the appropriate places – the Land Transport Authority (LTA) has issued about 1,000 notices this year for indiscriminately-parked bicycles.

Ang Mo Kio Town Council is working with LTA to increase the bicycle-parking capacity in the neighbourhood. To date, we have added 42 bicycle-parking zones, marked out by yellow boxes, at some areas with high human traffic, such as near markets, parks and bus stops. We hope bike users can do their part and park the bicycles within these designated parking areas so that they do not cause obstruction or inconvenience to residents. Happy riding!

亲爱的居民：

每一次的国庆日都是振奋人心、举国欢腾的日子。今年国庆庆典的主题是#携手齐心同进，寓意我们必须上下一心，无论是面对顺境或是不可知的逆境和挑战，都要携手并进，互相扶持。我在此祝大家52周年国庆日快乐!

另外，我相信很多人都知道或使用过共享脚踏车服务。共享脚踏车计划旨在现有的公共交通系统下，为人们行程的起程或最后一程提供衔接服务，让大家有一个方便、环保又负担得起的交通选择。遗憾的是，一些使用者并没有将脚踏车停放在恰当的地方，以致陆路交通管理局今年已就随意停放脚踏车现象，在全岛发出约1000份通知单。

宏茂桥市镇理事会正与陆交局合作，增加社区内的脚踏车停放位。至今，我们新增了42个脚踏车停放区。这些以黄框标示的脚踏车停放区设在人流较多的地方，例如巴刹、公园和巴士站附近。我们希望脚踏车使用者能够尽责，将脚踏车停放在这些指定的停放区，以免阻碍交通，对居民造成困扰。祝大家骑车愉快!

Penduduk sekelian,

Setiap sambutan Hari Kebangsaan adalah suatu yang menyuntik semangat kerana rakyat Singapura bersatu untuk meraikan ulang tahun kemerdekaan negara. Tema NDP tahun ini ialah #OneNationTogether, dan seperti yang ditonjolkan tema itu, kita mesti bersatu dan menyokong satu sama lain baik semasa masa senang mahupun semasa keadaan tidak menentu dan dalam menghadapi cabaran. Pada kesempatan ini saya ingin mengambil peluang ini mengucapkan kepada kesemua penduduk, Selamat Hari Kebangsaan ke-52!

Dalam satu perkembangan lain, ramai di kalangan anda mungkin telah nampak atau mungkin telah menggunakan basikal kongsi yang disediakan syarikat penyedia khidmat kongsi basikal. Skim kongsi basikal melengkapi perkhidmatan pengangkutan awam dengan menawarkan basikal sebagai sesuatu yang memudahkan, mesra alam dan pilihan yang dimampui bagi menamatkan perjalanan awal atau akhir anda. Sayangnya, ada di kalangan pengguna basikal ini tidak meletak basikal itu di tempat yang sewajarnya – Penguasa Pengangkutan Darat (LTA) telah mengeluarkan 1,000 notis tahun ini ke atas basikal yang diletakkan secara sembarangan.

Majlis Bandaran Ang Mo Kio kini sedang bekerjasama dengan LTA untuk meningkatkan jumlah tempat meletak basikal di kejiranan itu Sehingga kita, kita telah menambah 42 zon tempat meletak basikal, yang ditandai dengan petak kuning, di beberapa kawasan yang sering dilalui orang ramai, seperti pasar, taman dan perhentian bas. Kami harap penunggang basikal boleh memainkan peranan mereka dan meletakkan basikal di tempat yang disediakan agar ia tidak menghalang atau menyukarkan laluan penduduk. Selamat menunggang basikal!

How to redeem your prize

Bring along your identification card and the prize redemption letter to the Ang Mo Kio Town Council Office at Block 342 Ang Mo Kio Avenue 1, #01-1561 from 8.30am to 5pm on Mondays to Fridays.

The next qualifying period is from 1 July to 30 September and the next draw date will be on 16 October. For more information on the campaign, please visit Ang Mo Kio Town Council's website at www.amktc.org.sg.

A bush planted by the roadside at Block 919 Hougang Avenue 4 was blocking the view of drivers turning from the carpark onto the main road.

Do you know what makes Ang Mo Kio Town Council run smoothly? Well, it consists of five committees and each one oversees an area or project. And together, the five committees – Business Liaison Committee, Publicity & Outreach Committee, Finance Management Committee, Estate Maintenance Committee and Project Development Committee – ensure that the estate and residents are well taken care of.

Our Home gives you a closer look at these committees, and in this issue, the focus is on the Project Development Committee (PDC).

Building estates that change with you

Dr Intan Azura Mokhtar, chairperson of the PDC, tells us how the committee ensures the town physically evolves with residents' changing needs.

Q: What does the Project Development Committee do?

A: When residents request amenities and facilities for the estate, the committee will look into the requests and implement them if possible. It also takes charge of the long-term physical development of the town and recommends amenities and improvement works that are needed.

Q: What are the priorities of the PDC?

A: The PDC is focused on physically improving the estate to give residents a better living environment. This includes improving connectivity, maintaining safety and making things more convenient for everyone.

Q: How does the PDC ensure the town stays relevant to residents' changing needs?

A: The feedback that residents give us is crucial in helping us plan amenities for them. We welcome residents to give feedback by meeting their respective MPs as well as through the Town Council's various feedback channels.

Please refer to the back cover for contact details

Q: What large-scale projects has the PDC implemented this year?

A: The Neighbourhood Renewal Programmes held in various locations are some large-scale projects implemented this year. These include the construction of gardens and parks, hard courts for activities, marquees for functions and indoor playgrounds.

Q: What can residents look forward to in the future?

A: In the future, there will be more indoor playgrounds under housing blocks, elderly fitness and general exercise stations at void decks, covered pavilions, sheltered marquees and gardening spaces.

Nursing home for graceful ageing

Ren Ci @ Ang Mo Kio, a nursing home that will give its residents an intimate, home-like environment, has opened.

Under its "household cluster living" concept, 16 residents in four bedrooms will form a household cluster and share a common living, dining and activity area. This will give the residents a greater level of privacy, dignity and autonomy.

The 11-storey nursing home with 472 beds opened after nearly two years of construction. It is part of the Ministry of Health's plan to build a robust home and community care ecosystem to support our seniors with ageing in place. It also aims to bring integrated aged care services closer to the community.

Ang Mo Kio boy hits gold

TeamSG waterskier and SEA Games gold medallist Mark Leong gives us the lowdown on his memories growing up in Ang Mo Kio, how he celebrates National Day and what he hopes to achieve at the SEA Games.

MARK LEONG, 19

- Has lived in Ang Mo Kio since he was born
- Won Singapore's first slalom gold at the 28th SEA Games
- Won gold in the Men's Slalom at the 2016 Asian Waterski and Wakeboard Championships

29th SEA Games @ Kuala Lumpur
19 to 30 August

www.teamsingapore.sg Team Singapore

Q: What do you hope to achieve at the upcoming SEA Games?

A: My aim is to defend my title and improve my score from the previous SEA Games. I want to be on the 11m line, which I don't think anyone has done at the SEA Games. I've done it before in other competitions and I hope to bring my performance up to that level.

Q: How have you been prepping yourself to hit your goal?

A: I'm sticking to a training schedule and making sure I get enough sleep at night. Sleep is important because without it, I wouldn't have the energy to have a good training session after a long day at school. I also eat well, which helps.

Q: What does National Day mean to you?

A: It is a day to celebrate my patriotism for Singapore. I like seeing so many Singaporeans dressed in red and standing together to sing National Anthem.

Q: How have you been celebrating National Day?

A: For the past few years, when the celebrations were held at the Marina Bay Floating Platform, my family, friends and I would head to the area to watch the aerial displays and the fireworks. This year, I was training for the SEA Games.

Q: What are some fond childhood memories of growing up in Ang Mo Kio?

A: Almost every evening, I would be playing football, badminton, catching or even skate-scooting up and down the street with my neighbours. We'd always keep an eye out for approaching cars and yell "Car's coming!" to the other kids to warn them, and everyone would scurry to the sides of the road to wait for the car to pass before we continued. We'd play until our mothers came to call us for dinner.

Flying the joy high

It is the time of the year again when our neighbourhood is awash with a sea of Singapore flags and bannerettes celebrating the joy of National Day.

This year, the bannerettes feature images of Ang Mo Kio residents along seven themes – children, adults, pioneer, students, cultural, sports and uniform. Cultural-themed bannerettes, for example, show the smiling faces of people of different races in traditional costumes beaming at passersby.

Ms Felicia Ong, 29, is one of the residents featured under the cultural category, dressed in a cheongsam. "I feel really honoured and proud to be featured on a National Day display," she says.

The Residents' Committees also got busy rallying volunteers to put up National Day displays in the estates and went door-to-door to hand out Singapore flags for residents to display outside their units.

旗帜飞扬　喜迎国庆

8月是举国欢腾的日子！每逢国庆日前后，我们都会看到新加坡国旗处处飘扬。

今年，张挂在宏茂桥的旗帜分成七个主题——儿童、成人、建国一代、学生、文化、体育和制服。以文化主题的旗帜为例，各个种族穿着他们的传统服装，笑脸迎人。

穿着旗袍的王侦萤（29岁）说：“能为国庆装饰出一分力，我真的感到很荣幸。”

居民委员会也号召义工，齐心合力在组屋区悬挂旗帜，把我们的邻里布置得美轮美奂。他们也沿家挨户派发国旗给居民，让大家一同分享国庆的欢乐气氛。

Kibaran yang menyeronokkan

Kini tiba masanya untuk kejiranan kita sekali lagi diselaputi kibaran bendera Singapura dan kain-kain rentang sebagai merayakan sambutan Hari Kebangsaan.

Tahun ini, kain-kain rentang mempamerkan gambar penduduk Ang Mo Kio mengikut tujuh tema – kanak-kanak, orang dewasa, golongan perintis, pelajar, budaya, sukan dan pakaian seragam. Kain rentang bertema budaya, sebagai contoh, menunjukkan wajah ceria pelbagai kaum yang mengenakan pakaian tradisional masing-masing dan ditunjukkan kepada orang yang lalu-lalang.

Cik Felicia Ong, 29, adalah salah seorang penduduk yang ditampilkan berpakaian cheongsam bagi kain rentang bertemakan budaya. “Saya berasa ia sebagai satu penghormatan dan bangga ditampilkan sebagai paparan untuk menyambut Hari Kebangsaan,” katanya.

Jawatankuasa Penduduk juga sibuk menarik penyertaan sukarelawan untuk memasang bahan yang ingin dipamerkan di estet-estet sempena Hari Kebangsaan dan mengadakan lawatan dari rumah ke rumah untuk mengagihkan bendera Singapura kepada penduduk untuk dipasang di luar unit mereka.

About the front cover

To commemorate our nation’s 52nd birthday, the front cover of *Our Home* features 52 residents, students and MPs from Ang Mo Kio GRC and Sengkang West SMC.

Do you spot yourself or your neighbours on the cover?

Facilities for seniors

To allow seniors to age gracefully, it is important to create a caring, empowering and safe environment. This is especially so given Singapore's ageing population. And in the estate, senior citizens' corners and elderly fitness corners have been upgraded with improvements such as laying down new flooring and putting in new facilities and equipment.

Upgrading of elderly fitness corner between Blocks 330 and 331 Ang Mo Kio Avenue 1

"I encourage my parents to use the exercise equipment here because it is an easy way for them to keep fit.

"I meet my neighbours here every Sunday morning and we spend time chatting about the latest happenings in Singapore."

Branching out to other tree species

Trees toppling over and hitting passersby and vehicles have been in the headlines. Species like Khaya senegalensis (Senegal Mahogany) are particularly prone to falling because they can grow to heights of 30m and also break easily.

To make things safer for residents, the Town Council has embarked on a Khaya Tree Replacement Program. The Khaya trees will be replaced with other species which are safer.

How long will this take? This on-going programme will run for the next three years.

How does it work? Our horticulture team will identify Khaya trees in the estate and seek HDB's approval to remove them. After the Khaya trees have been removed, we replace them with trees of other species to maintain the greenery in the estate.

What is the progress? To date, we have identified about 100 Khaya trees in the neighbourhood. Those planted on slopes, near HDB blocks and areas with high human traffic will be removed first because they are more at risk of causing danger.

RECENT INCIDENTS INVOLVING FALLING KHAYA TREES

5 July: A heavy downpour caused an 18m-tall Khaya tree to topple onto a car in Tampines, briefly trapping its driver.

29 June: A taxi was crushed by a falling Khaya tree in Choa Chu Kang, closing the road for about an hour.

Those living in Teck Ghee now have a nicer environment to call home – an NRP which was launched in December 2014 came to a completion in May this year. Resident Muhdsharil Abu, 35, is pleased with the new facilities. "I started working out at the new fitness corner and I also take my kids to the new adventure playground on weekends."

Hari Raya bash

What: Pesta Lebaran 2017
Where: Marquee @ Hougang N6 Park
When: 16 July 2017

No celebration is complete without song and dance and good food. And this Hari Raya party ticked all the boxes. Not only did it feature community performers and a live band, it also had a special appearance by internationally renowned entertainer Rahimah Rahim.

To mark the start of the celebrations, the advisers of Ang Mo Kio GRC and Sengkang West SMC stirred dodol, a Malay dessert, using a long wooden paddle, after which, a sumptuous lunch was served. To top it off, residents also brought home-made goodies to share.

The celebrations were open to everyone, and all who turned up had a great time. Just ask retiree Lam Sock Heng, 68, who was there because his Malay neighbours invited him and his wife. He said: "It was a good way to learn more about their culture."

Clean-up operation

What: Community Outreach for Hougang Primary School
Where: Block 962 to 976 Hougang Street 91
When: 14 July 2017

Because it is important to get youths into the spirit of keeping Singapore clean, an initiative was rolled out to help with it. And under this scheme, 41 students from Hougang Primary School went out picking litter in the neighbourhood.

They picked up commonly seen litter like cigarette butts, plastic bags and pieces of paper. "This activity allows us to do our part to keep the environment clean," said a Primary 4 student.

Mr Tan, a teacher at Hougang Primary School, added: "This is the first time we are collaborating with Ang Mo Kio Town Council on this community outreach programme.

"It's good to have initiatives like these so students can get hands-on with keeping their surroundings clean."

Here's to daddies and friends!

What: Bounce & Grill Under J Stars
Where: Block 433 Sengkang West Way
When: 18 June 2017

It was a two-in-one party for residents of Fernvale Residence, Fernvale Palms and Fernvale Ridge, who came together to celebrate Father's Day as well as to meet their neighbours and make friends. And had fun, they did, with a barbecue dinner and a magic show and balloon sculptures for the kids.

"I often see the residents' committee holding events here so I decided to come after hearing about it from my sister. It's a good way to mingle and interact with my neighbours," said Madam Ng Lay Tin, 37, who came to this event organised by Sengkang West Zone J Residents' Committee with her two kids aged five and two.

Dr Lam Pin Min shared some exciting plans for development in Sengkang:

Fern Green Primary
will be operational in 2018 and cater to the growing needs of young families.

Fernvale Community Centre,
an integrated complex comprising a hawker centre, a wet market and a childcare centre, is expected to be completed in 2020.
