Dear Residents,

Lift Operational Fitness

Permit-to-Operate (PTO) certificates for the lifts under the care of Ang Mo Kio Town Council are replaced within seven (7) days of the expiry date. We would like to reassure you that the lifts are fit to operate during this period.

All our lifts adhere strictly to the maintenance and operation regulations set by the Building and Construction Authority (BCA). The lifts are examined, inspected and tested annually by qualified examiners. The lifts are also serviced every month as required by the BCA.

In addition, the Town Council carries out routine, planned and preventive maintenance to ensure all lifts are in good operating condition.

Once again, we would like to reassure you that our lifts are fit to operate during the period of replacement for the PTO certificates.

Thank you.

Ang Mo Kio Town Council
